- In order to not incur extra shipping costs, please order at least two weeks prior to any major holiday.

***** To Keep Your Chocolates Fresh... *****

Mountainside Chocolates are made with only the freshest ingredients...and no preservatives. If you won't be eating your chocolates right away (within two weeks), we recommend wrapping them in an airtight container or zip-up plastic bag and freezing them. When you're ready to eat, defrost for at least 24 hours at room temperature, still in the airtight container or bag, then remove and enjoy!
